

Election Prediction

Laura Spencer

Colorado

- ▶ State Latin motto: Nil Sine Numine,
- ▶ Nothing without Providence,
- ▶ Nothing without God,
- ▶ nothing without a new mine,
- ▶ Nothing without the Deity
- ▶ My prediction: Romney will take Colorado because he is more religious than Obama.

Virginia

- ▶ State Latin motto: Sic semper tyrannis
- ▶ My prediction: based on the fact the John Wilkes Booth said this the night he killed Lincoln, Virginia will be voting republican because Booth was a democrat and the parties have since flip flopped their core beliefs.

Arizona

- ▶ State Latin motto: Diat Deus, God Enriches
- ▶ My prediction: Romney is again more openly religious and therefore he will take Arizona.

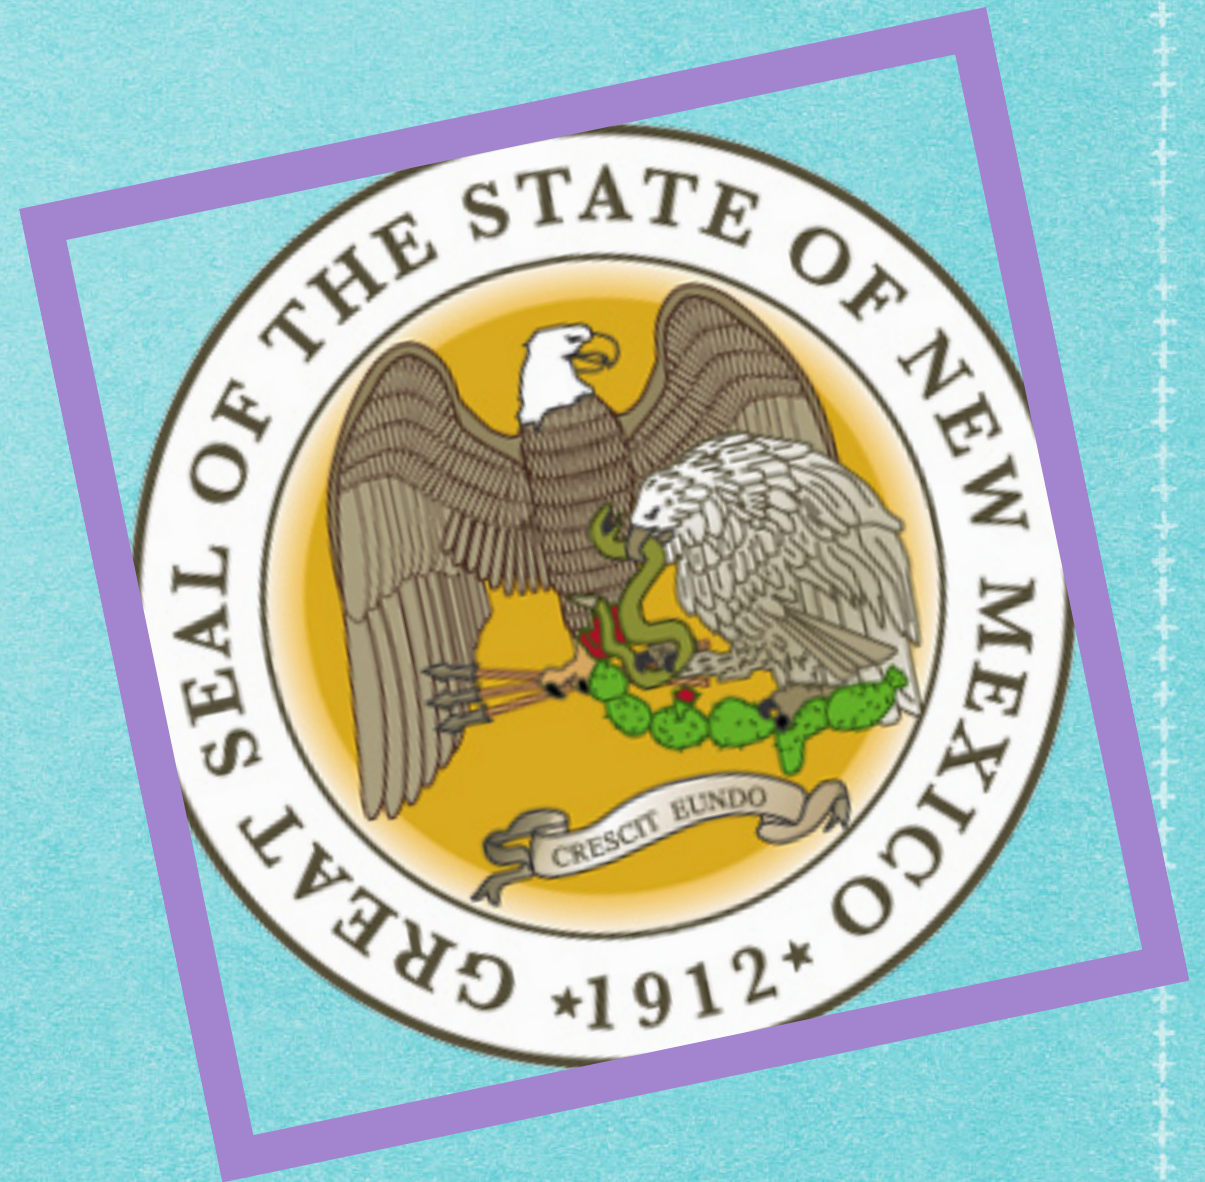

North Carolina

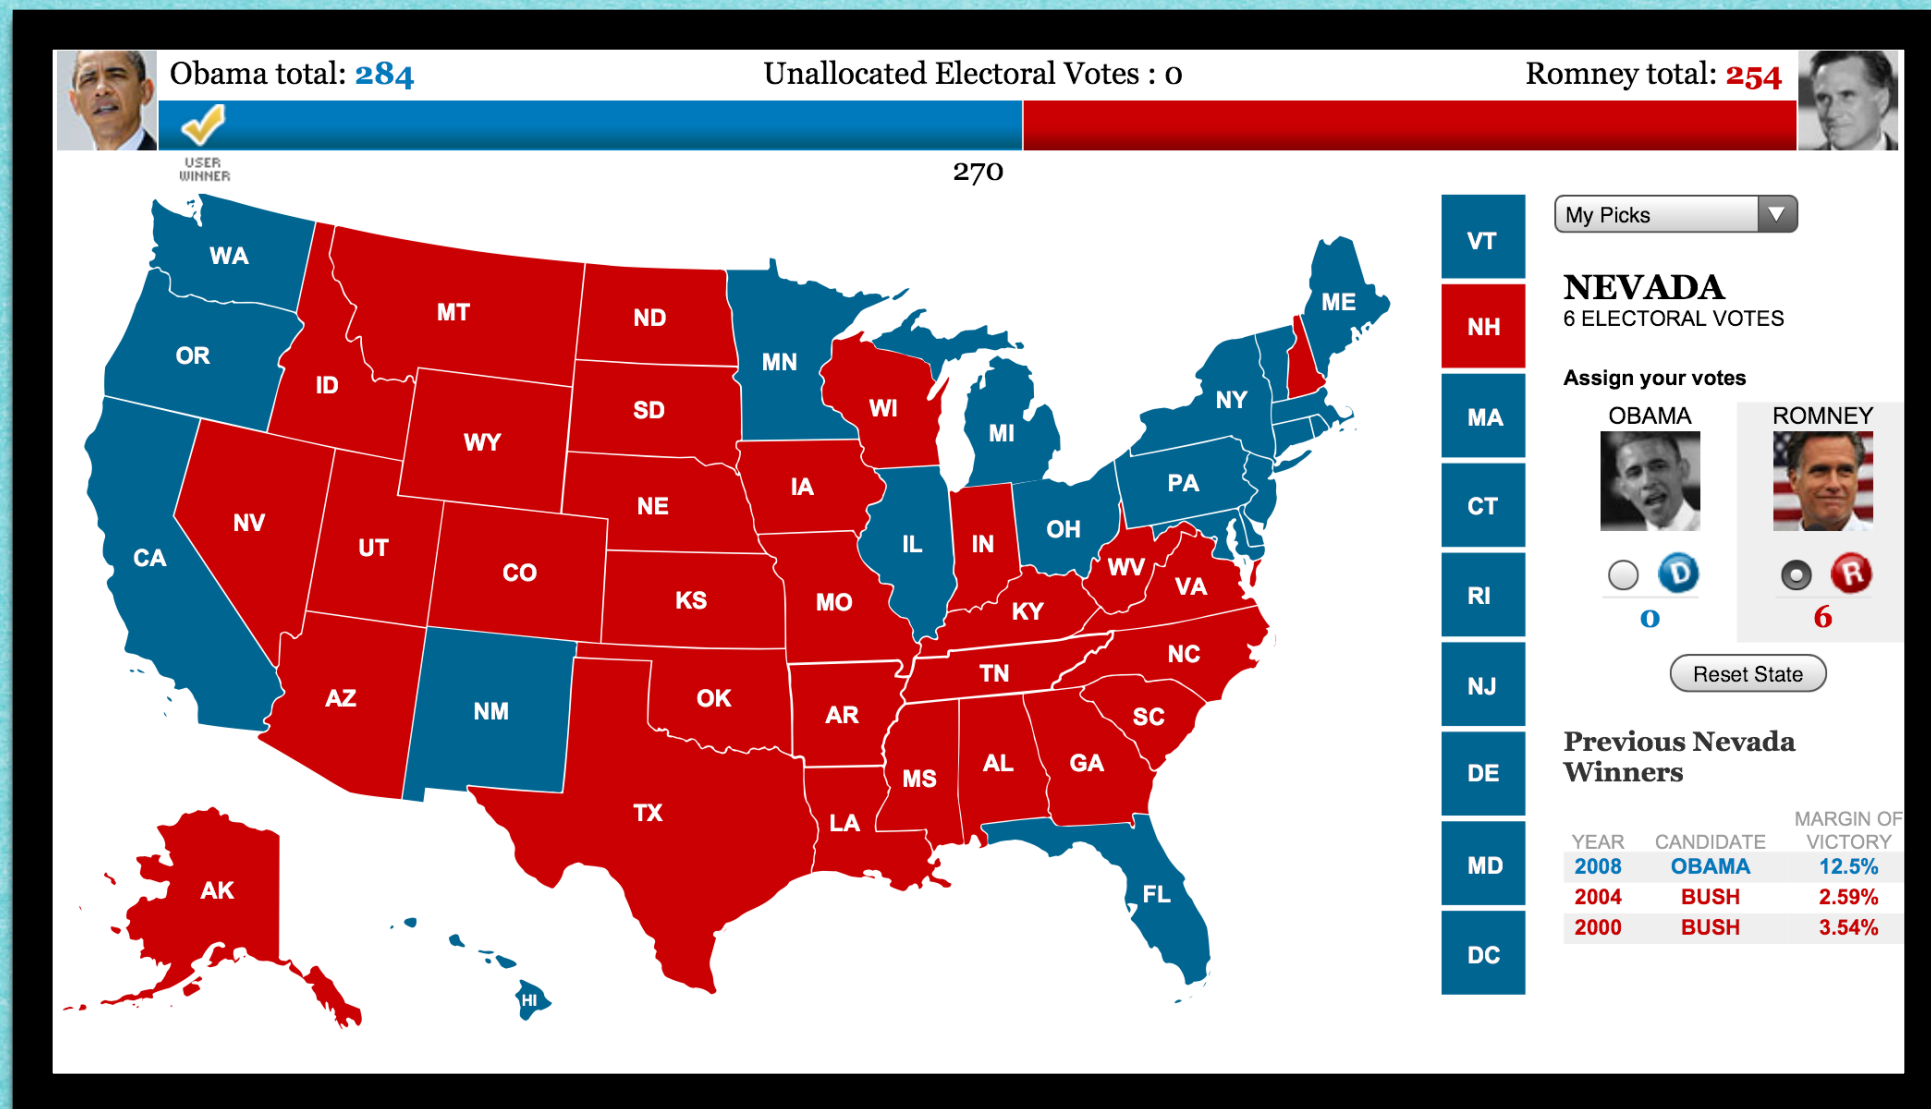

- ▶ State Latin Motto: Esse quam videri; "To be, rather than to seem"
- ▶ My Prediction: Romney will take North Carolina because Obama has already proved he is not what he seems and has not accomplished what he hoped he would

New Mexico

- ▶ State latin motto: Crescit eundo, It grows as it goes
- ▶ My prediction: This motto suggests that the people of New Mexico will be willing to give Obama one more term.

Final Guess

Obama will Win
